Free spins and other in-game rewards

Free spins, flights, freebets, and gifts

Parameter	Meaning
Reward form	Welcome PL — free spins on the assigned game; Sportsbook Welcome — a separate deposit match, Weekly Sports Reload — a separate mechanic.
Number of units	250 FS total: 150 for the first and 100 for the second stage, without FS for the third.
Unit denomination	The denomination of a specific issue depends on the card FS. In a separate calculation with 0,20 PLN/FS, the first 150 FS give a nominal turnover of 30 PLN.
Assigned game	Bonus Terms §4.4 names Gates of Olympus. BGaming options are Aztec Magic, Aztec Magic Deluxe, Johnny Cash, Platinum Lightning, and Platinum Lightning Deluxe. Gates of Olympus 2500 is a different title.
Issue schedule	§4.5 — the first stage produces 50 FS per day on day 3, the second 50 FS per day on day 2.
Deadline for receipt	The general activation window FS under §4.6 is 3 days. For the daily package, the reference point is the issue date available in the account.
Period of use	Under §4.6, the term of FS and the result of FS — 7 days each. These are separate terms and starting points from the time of the cash bonus.
Actual prize winnings	The financial total FS and the welcome accrual are confirmed by a personal report. With confirmed round payouts on 18 PLN, the winnings equal 18 PLN at a nominal turnover of 30 PLN.
Is the bet returned?	A game for FS does not return the spin's face value in cash. In the example of a standard freebet without face-value return, profit = face value × (odds − 1), if the specific card sets this condition.
Wagering of winnings	When applying the general rate 40× to the confirmed winnings FS 18 PLN, the result is 720 PLN of qualifying turnover, unless the specific offer specifies a separate multiplier.
Maximum conversion	§4.8 — 50 EUR or the equivalent for sign-up FS, unless otherwise stated. §8.1 separately lists 200 PLN for its no-deposit/Free Spins scenario; do not transfer to the deposit package without a corresponding condition.
Gift condition in chat	Confirmed public welcome route — crediting to the account by deposit and calendar. Chat gifts are considered under the terms of the targeted promotion and are not included in the package.
