Cash Out

- For the confirmed full Cash Out BR-CO-01 at rate 20,00 EUR, the amount 25,50 EUR shown in 00:47:10 UTC and accepted in 00:47:14 UTC 20.11.2026 corresponds. The internal balance after calculation is 105,50 EUR with the initial 100,00 EUR. In the alternative BR-CO-02, with a partial close offer, half of the position yields 12,75 EUR immediately, while the risk of the remaining part 10,00 EUR continues to participate in the calculation. If the remaining share wins on 2,40, it adds 24,00 EUR, final balance 116,75 EUR. If it loses — 92,75 EUR.

Live line, esports and virtual events snapshot

In Sports Overview 19.11.2026, for Orlando City SC — FC Cincinnati, five market groups are shown: 1X2, To qualify, Double chance, Total 3,5 and Handicap ±1,5. In the live snapshot for Queensland Lions FC — Wollongong Wolves FC at minute 55, the following are visible: 1X2 (2,95 / 3,20 / 2,30), Double chance, Total 2,5 and Handicap ±1. The number of groups refers to the visible fragment of each card. For the live tracker, Statscore and Betgenius are enabled in the configuration. The standard RO/EUR limit in the config is 0,10 EUR per bet. Betting Terms §7.2 ties the maximum to the market, event and player profile. The special Boost Odd rule (§8.4) provides for a maximum win of 10 000 EUR.

BR-LIVE-01. If on this live market a selection is sent for 2,95 and the price remains available, the verified latency from submission to the acceptance record is 5,50 s. Two timestamps of the same coupon are used to check the interval. When the price is updated, the scheme provides for separate consent. The BR-CB-01 prematch time interval applies to its own scenario.

In the Esports 19.11.2026 slice, the counters for Counter-Strike 36, Dota 2 — 12, Valorant 4 are visible. The catalog lists, among others, PGL Major Singapore 2026 and Ranked Episode 6 for CS2, BLAST SLAM IX and DreamLeague Division 2 S5 for Dota 2. Under the III Betting Terms section, results are verified against the official video or game

stream. If a postponement has not received a new schedule within 24 hours of the scheduled start, void applies. CS2 and Valorant provide for MR8 and MR12, and overtime is included by default in the absence of another market label. A change of format or a shift of map boundaries requires checking against the special rules. The Winner selection on GamerLegion — Inner Circle in the Bets Feed was observed as one leg of an accumulator.

For eSoccer Bundesliga (2×6 min), the Borussia Dortmund — Eintracht Frankfurt match in the Upcoming section has a full 1X2 2,20 / 3,50 / 2,75 and a total of 3,5 for 1,85 on each side. For the full 1X2, the results are 45,4545%, 28,5714% and 36,3636%. The overround based on their unrounded sum is 10,3896%. Virtual football, basketball, horse racing and greyhound racing have their own schedules and markets in the Virtual Sports Rules.

Cash Out

Cash Out (modal block text): Cash Out is a feature on the website that allows the Participant to settle his/her ticket until the end of the event(s) included in the ticket for a certain amount offered by BetOnRed, refusing a possible loss or win. The Cash Out function can be applied in all cases when it is offered by BetOnRed.

In-play betting — Main parameters

Parameter	Meaning
Sports live	Live examples from the snapshots: football (Australia Championship), basketball and tennis in the sports subsections. eSoccer is listed under its own discipline.
Live line depth	Queensland Lions FC — Wollongong Wolves FC at the 55 minute: the archive row shows four groups — 1X2, Double chance, Total 2,5 and Handicap ±1.
Access to broadcasts	Play Tracker and live tracker configuration flags are visible. For a specific event, the view shown in its card applies. The official eSports stream is mentioned as the calculation source in the regulations.
Match center and statistics	The live view shows the score, minute, and period. Config: Betgenius and Statscore are enabled for the live tracker, and Statscore for the displayed statistics.
Coefficient change	Odds Settings are highlighted separately from Quick Bet. In the verified episode BR-LIVE-01, the participant accepts the new price manually when switching the quote or leaves the order unexecuted.
Bet delay	BR-LIVE-01: confirmed live delay of 5,50 s from submission to explicit confirmation for the event Queensland Lions — Wollongong Wolves at an unchanged price. The mode and units are set for this check.
Confirmation and status	Under §§4.2 and 3.4, the acceptance status is confirmed by a separate betslip message, and execution is verified in My Bets. The submit button initiates the request.
Cash Out types	Cash Out — early settlement offer under §4.4.12. In the verified episode BR-CO-01, the entire coupon is closed; partial closing BR-CO-02 is calculated only if there is an offer for the share.
Cash Out restrictions	Cash Out is generated from the selected coupon; the price may change or disappear at the bookmaker's discretion. Displaying the amount and accepting it are separate events.
Match interruption	§5.5: if a started event is interrupted and not completed within 48 h, the general void rule applies to unresolved markets, with exceptions for closed periods, determined outcomes and special rules.
Disputing the calculation	A 72 h window from the market settlement under §5.18. To contact support, the coupon ID, market version and confirmed odds are provided; any further dispute is handled under the Dispute Resolution Policy.

In-play odds — Additional parameters

Parameter	Meaning
Quick bet	Quick Bet is enabled in the saved config RO/EUR. The panel shows quick amounts 50, 100, 250 and 500 EUR, and the final status is still recorded in the coupon.
Acceptance of the new price	For BR-LIVE-01, a new price requires separate consent. In the operator form, this setting is under Odds Settings.
Minimum live bet	0,10 EUR in the regular minimum bet field RO/EUR; a specific live market may have its own limit on the betslip.
Live calculation period	Under §5.3, settlement occurs after completion and announcement of the official result. For the period, the result of that period is used; the 72 h deadline relates to an objection after settlement.
