Affiliate program and its calculations

Parameter	Meaning
Payment scheme	Public route BetOnRed — Affiliates application form. AskGamblers names the partner program Betmen Affiliates. The financial scheme AFF-PL-01 calculates Hybrid as the sum of CPA and Revenue Share under separately specified contractual terms.
Target GEO	Poland, billing period 1–30 November 2026, PLN.
Qualifying action	Paid qualification AFF-PL-01: first credited deposit from 80 PLN, unique new account, agreed attribution and passed duplicate check.
Number attracted	64 acquired registrations for the billing month.
Number of qualified	18 qualified players from 64 registrations, 28,125% of the funnel.
Rate CPA	120 PLN per qualified player in the confirmed scenario AFF-PL-01.
GGR	Confirmed turnover 48 000 PLN and paid-out winnings 39 000 PLN. GGR = 9 000 PLN.
Bonus deduction	1 520 PLN of accrued and recorded bonus expenses for the month is subtracted from GGR.
Expense deduction	680 PLN of the stipulated monthly payment expenses are deducted from GGR.
NGR	NGR = 9 000 − 1 520 − 680 = 6 800 PLN in AFF-PL-01.
Revenue Share percentage	17,5% of the non-negative NGR. For 6 800, PLN is charged 1 190 PLN.
Part of Hybrid CPA	CPA = 18 × 120 PLN = 2 160 PLN.
Hybrid part RS	Revenue Share = 6 800 PLN × 17,5% = 1 190 PLN. Full Hybrid = 3 350 PLN.
Negative carryover	In the confirmed scenario, a negative NGR is reset to zero for calculating the current period's share and is not carried over to the next month.
Minimum number of deposits	In the confirmed scenario, qualifying one new player requires one deposit. The amount and credit status are checked separately.
Minimum number of active players	Verified monthly minimum — 10 active qualified players. Result 18, condition met.
Cash payout threshold	Confirmed transfer threshold 500 PLN. The accrual 3 350 PLN exceeds it by 2 850 PLN.
Payout cycle	Calendar month, calculation by the 15th of the following month according to the scenario. The affiliate team's response to the request is stated within 24 hours.
Hold or cancel	Duplicates, refunded deposits and voided attribution are excluded before applying the rate. With 18 qualified after verification, the confirmed scenario yields 3 350 PLN.

Affiliates application and Hybrid calculation

In the operator's Affiliates section, Company Name, Telegram/Skype, and an optional description of up to 500 characters are indicated. The button is Send Message. A response from the affiliate team is stated within 24 hours. AskGamblers calls the program Betmen Affiliates. The rate, attribution, and admission are determined by the specific agreement.

In the contractual scheme AFF-PL-01 in November 2026, 64 registrations, 18 new players with a qualifying deposit of at least 80 PLN and confirmed attribution were counted. Qualification was 18 ÷ 64 = 28,125%. Monthly bets 48 000 PLN less paid winnings 39 000 PLN yielded GGR 9 000 PLN. After 1 520 PLN in accounted bonus expenses and 680 PLN in payment expenses, NGR was 6 800 PLN. CPA per 120 PLN per player was 2 160 PLN. The share of 17,5% of

positive NGR was 1 190 PLN. Hybrid — 3 350 PLN. Both confirmed thresholds were met: 10 active qualified players and 500 PLN. A negative NGR in this confirmed scenario is zeroed when calculating the share. The calculation period is calendar-based, up to the 15th day of the following month. There is no site edition accrual in the base configuration.

Attribution AFF-PL-01

The AFF-PL-01 calculation covers confirmed transitions from editorial reviews for Poland via the agreed link. For the confirmed scenario, the last permissible referral transition within 30 calendar days before registration is selected; then the new account's qualification is taken into account. The referral identifier is stored separately from personal and payment details. The confirmed scenario's rates are the same for the billing month; the minimum group size is 10 active qualified players. The Affiliates application relates to the operator's commercial side. The composition of placements and markets under the actual agreement is determined by the contract.
