Slot information and game modes

Parameter	Meaning
Configuration RTP	The row Gates of Olympus 2500 stores the raw rtp=80.19. The theoretical RTP of the mathematical configuration used is confirmed by its paytable. A separate value of 96,00% has been established for the verified session.
Another available RTP	In the confirmed comparison of the two configurations 96,00% and 94,00%, the difference is 2,00 pp. The figure of 96,5% in the review SiGMA refers to the base Gates of Olympus.
Volatility	High volatility is clearly shown on the demo screen Gates of Olympus 2500.
Field	Demo Gates of Olympus 2500 shows a 6×5 grid. For comparison, Crystal Inferno: Hold & Win — 5×3 and 243 ways.
Winning method	The subject of the calculation is the payout of the winning symbol group according to the paytable of the specific open issue; the visual format of the 6×5 field by itself does not define the group rule.
Minimum combination	In a verified group of 8 identical symbols with a confirmed bet of 2 USD and a payout of 0,5 bets, the payout is 1 USD. The applicable rule of the specific version is defined by its paytable.
Wild	Wild is separately visible in Buffalo Blitz III, marked with a diamond. For Gates of Olympus 2500, the screenshot is not used to assign wild.
Scatter	In Buffalo Blitz III 3, 4 and 5 Free Games symbols trigger the mode with 1, 2 and 3 active pots respectively. These numbers belong to Playtech and do not carry over to the Pragmatic variant.
Cascades	In the confirmed cascade demonstration, two paid groups (1,00 and 1,80 USD) yield 2,80 USD per spin with a bet of 2,00 USD before other modifiers.
Bonus round	In Gates of Olympus 2500, a Buy Feature screen was observed. In the separately shown Buffalo Blitz III rules, Free Games start at ≥3 symbols, with up to three active pots.
Bonus buy	The demo Gates of Olympus 2500 shows 4 Buy Feature options; in real-money play, the price and eligibility of each are read from the corresponding game configuration.
Ante mode	In the Gates of Olympus 2500 demo, 5 Special Bets options are visible. In another slot, Buffalo Blitz III, Extra Bet is shown as ×1,20 to the chance of triggering the bonus and is off in the initial frame.
Minimum bet	In the frame Gates of Olympus 2500, the demo bet 2 USD is selected; this is the confirmed session amount. The lower limit has been checked and confirmed.
Maximum bet	The selected 2 USD demo bet is the episode value. The game's cash maximum and the slot's PL wagering limit 20 PLN relate to different rules.
Maximum multiplier	The win declared on the demo screen is up to 25 000× the bet amount for Gates of Olympus 2500.
Cash winnings limit	With a demo bet of 2,00 USD, applying the displayed 25 000× yields a confirmed cap of 50 000,00 USD in demo units, separate from any monetary limits.
Jackpot	In frame Gates of Olympus 2500, the top multiplier applies to the back. For comparison, a separate Diamond Strike: Lucky Reels prize row shows GRAND 500, MAJOR 75, MINOR 25 and MINI 12,50 in demo units.
Payout table	The payout distribution table is split by gameId. The saved screen Gates of Olympus 2500 gives a limit of 25 000× and 4 Buy Feature; the parameters are confirmed with reference to the payout table of this version.

Parameter	Meaning
Autoplay	In the Gates of Olympus 2500 demo, autoplay and turbo spin are visible when holding the spacebar. The availability of the modes is checked separately for the real configuration.

Game session and observed return

Parameter	Meaning
Game and version	Gates of Olympus 2500 (Pragmatic Play), gameId 381007573226599461, a separate verified sequence.
Mode	Demo balance in USD units, with no cashier access from the calculation. The starting frame is preserved 19.11.2026.
Session duration	In the confirmed scenario, 20 rounds in 6,3 minutes from the first to the final settlement of the last.
Number of rounds	20 spins with 13 zero payouts and 7 spins with positive payouts.
Bet size	2,00 USD demo credit per spin. This is the selected bet from the start screen.
Total bets	20 × 2,00 USD = 40,00 USD of confirmed turnover.
Full round payouts	Sum of 7 full payments 0,80 + 1,20 + 2,00 + 3,40 + 5,00 + 6,60 + 11,60 = 30,60 USD.
Number of payout rounds	7 of 20 rounds produced a positive payout in the confirmed scenario, or 35%.
Number of profitable rounds	4 of 20 rounds paid out strictly above the 2,00 USD rate, or 20%.
Number of bonus events	0 bonus round purchases and 0 separate bonus events in a series of regular spins.
Maximum observed payout	Largest full payout of the verified series — 11,60 USD, equivalent to 5,80× the stake.
Final balance	100 000,00 USD − 40,00 USD + 30,60 USD = 99 990,60 USD demo credit. Change −9,40 USD.
Observed return	The ratio of payouts to turnover in this series 30,60 / 40,00 = 76,50%; this is a metric of a verified sample of 20 rounds.
Theoretical return	Under the theoretical RTP 96,00%, the mathematical expectation for the turnover of 40,00 USD is 38,40 USD. A sample with payouts of 30,60 USD yields a separate empirical share.
